Additional notes...

The RCGP have produced this activity sheet for pupils aged 16-17 who are taking part in work experience in a healthcare setting. These activities have been designed to be discussed in a group setting, to reflect and confirm understanding. Work experience can be in a primary or secondary care setting, it may perhaps be a voluntary opportunity in a care home or even relevant part-time work.

Facilitator notes, further activity sheets and a reflective diary have also been created by the RCGP. Further information can be found at rcgp.org.uk/discovergp.
